ABOUT

The Menlo Brass Quintet, founded in 1982, enjoys a reputation as one of the San Francisco Bay Area's finest brass quintets, known for outstanding musicianship and their unparalleled diversity of repertoire, including many original pieces, performed for the enjoyment of hundreds of event audiences. Their music spans a wide variety, from Baroque and Classical to Broadway show tunes, popular, Sacred, Dixieland, world music, and jazz, and have been featured in local concert series, conventions, schools, and on radio. Past performances include events at Stanford University, UC Santa Cruz, and Mills College. Performing at Giants baseball games, for premiere vocal groups, churches, weddings, and receptions, the Quintet enjoys a wide range of music from premiering original compositions to lighter music for outdoor summer park concerts. The Menlo Brass Quintet can be heard on their full-length CD album, "A Simpler Life" which features old time favorites plus newer compositions for brass quintet. The Menlo Brass Quintet can also be heard on Schola Cantorum's "Christmas Reflections" CD.
